Important Information:

This product is not an original part from the manufacturer but a replacement part.

- Use at Your Own Risk – No Liability: Please note that the 3D-printed door handle for the VW Lupo and Seat Arosa is a custom tuning or accessory part. This part does not have a General Operating Permit (ABE) and is not approved by TÜV.
 - I assume no liability for damages or consequences resulting from the use of this non-certified part.
 - Use is at your own risk. I recommend observing local regulations and laws regarding the use of non-approved parts in road traffic.
-

Note:

- **Installation only by qualified personnel.**

Disposal:

- You can find the disposal guidelines on our website.
